1. Company Profile and Service Range

MaxHome Properties primarily focuses on **leasing commercial [office spaces](#)** in Abu Dhabi. Their model revolves around providing **turnkey office solutions**—spaces that are fully equipped, furnished, and ready to operate. This approach appeals particularly to startups, small and medium-sized enterprises, and entrepreneurs who wish to avoid the upfront costs and administrative challenges of setting up traditional office spaces.

Their offerings typically include:

- Fully furnished offices with desks, chairs, and meeting rooms
- High-speed internet and IT support
- Free water and electricity
- Cleaning and maintenance services
- Reception and mail handling
- Flexible lease terms with zero hidden charges

In addition to office rentals, MaxHome Properties also provides **business setup assistance** and **PRO (Public Relations Officer) services**, helping clients with company registration, license renewals, and visa processing. This combination of real estate and business support services creates a one-stop solution for those looking to establish or expand their business presence in Abu Dhabi.
